in the factory at

Via Brescia, 12 – 25076 Odolo (Bs) - Italy

is submitted by the manufacturer to type-testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan.

The notified body – Laboratorio Prove Materiali, Politecnico di Milano - has performed the initial inspection of the manufacturing plant and of factory production control and performs the continuing surveillance, assessment and evaluation of factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in the Annex ZA of the standard

EN 10025-1:2004

were applied.

This certificate replaces the certificate 1777-CPD-09.02 in revision n. 2 of June, 26th 2013, first issued on November, 19th 2009, in accordance with the applicable Directive 89/106/CEE.

This certificate was first issued on September, 10th 2014 and remains valid as long as the conditions laid down in the harmonized technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.

Milan, September 10th, 2014.
